CSS (Cascading Style Sheets)

The screenshot shows a web browser window with a CSS code editor on the left and a rendered webpage on the right. The webpage is titled "Nonot Harsono Homepage" and includes a navigation menu with links like "AS Tanerbaum", "DCC Stalling 6e", "DCC Stalling 7e", "DSK", "Telefoni", "MM", "MMT", "Babbage", "Kohonen", "Mobile Comp", "Wireless", and "Renungan". Below the menu is a list of "Bahan Kuliah" (Lecture Materials) including "AS Tanerbaum", "DCC Stalling 6e", "DCC Stalling 7e", "DSK", "Telefoni", "MM", "MMT", "Babbage", "Kohonen", "Mobile Comp", "Wireless", and "Renungan". A photograph of a person on a motorcycle is also visible on the page.

Macromedia Dreamweaver

The screenshot shows the Macromedia Dreamweaver MX 2004 software interface. The main workspace is divided into several panels: a File browser on the left showing a list of files and folders, a Properties panel at the bottom left for editing page properties, and a Design panel on the right showing a tree view of the site structure. The interface includes a menu bar at the top and a toolbar below it.
